

2026 Moon Phases

The Moon's Journey Through the Year — & What It Means for the Collective

The Moon moves through each sign approximately every two and a half days, completing her full cycle every 29.5 days. Each new moon is a moment of planting — each full moon a moment of illumination and release. These are the key lunar moments of 2026 and their collective themes.

■ NEW MOON in Capricorn

9 January 2026

A powerful reset under Capricorn's influence. The collective is called to set intentions around structure, ambition and long-term foundations. What are you building that will last?

■ FULL MOON in Leo

24 January 2026

Leo's full moon illuminates the collective need for recognition and creative expression. Hearts that have been hiding step forward. Joy and courage are in the air.

■ NEW MOON in Aquarius

8 February 2026

Aquarius invites us to think beyond the individual. Collective intentions around community, innovation and social change carry particular power now. Think bigger.

■ FULL MOON in Virgo

23 February 2026

A Virgo full moon asks us to review our daily lives, health and habits. What needs refining? The collective mood is practical, discerning and quietly determined.

■ NEW MOON in Pisces

10 March 2026

Pisces new moons dissolve boundaries and invite spiritual renewal. The collective is dreaming — and those dreams carry seeds of real transformation.

■ FULL MOON in Libra

25 March 2026

Libra's full moon illuminates relationships, fairness and beauty. Tensions in partnerships come to light — and with them, the opportunity for genuine balance.

■ NEW MOON in Aries

8 April 2026

Aries fires the starting gun. The collective energy is bold, pioneering and ready to begin. Plant seeds now that require courage and initiative to grow.

■ FULL MOON in Scorpio

24 April 2026

A Scorpio full moon goes deep. The collective reckons with what lies beneath the surface — power, desire, transformation. What needs to die so something better can live?

■ **NEW MOON in Taurus**

8 May 2026

Taurus grounds us. This new moon asks the collective to slow down, connect with the earth and set intentions around security, pleasure and lasting value.

■ **FULL MOON in Sagittarius**

23 May 2026

Sagittarius expands our horizons. The collective mood is restless, philosophical and hungry for meaning. A good time to question everything and seek bigger truths.

■ **NEW MOON in Gemini**

6 June 2026

Gemini sparks curiosity and communication. The collective mind is quick, playful and open to new ideas. Set intentions around learning, writing and connection.

■ **FULL MOON in Capricorn**
